# Terms and Conditions

## Website usage terms and conditions

Welcome to our website. If you continue to browse and use this website, you are agreeing to comply with and be bound by the following terms and conditions of use, which together with our privacy policy govern Sally Angell's relationship with you in relation to this website. If you disagree with any part of these terms and conditions, please do not use our website.

The term 'Sally Angell' or 'us' or 'we' or ‘our’ refers to the owner of the website. The term 'you' or 'user' refers to the user or viewer of our website.

The use of this website is subject to the following terms of use:

- The content of the pages of this website is for your general information and use only. It is subject to change without notice.
- This website uses cookies to monitor browsing preferences. If you do allow cookies to be used, the following personal information may be stored by us for use by third parties: name, gender, profession, contact details, personal details and preferences, machine and browser details.
- Neither we nor any third parties provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information and materials found or offered on this website for any particular purpose. You acknowledge that such information and materials may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.
- Your use of any information or materials on this website is entirely at your own risk, for which we shall not be liable. It shall be your own responsibility to ensure that any products, services or information available through this website meet your specific requirements.
- This website contains material which is owned by or licensed to us. This material includes, but is not limited to, the design, layout, look, appearance and graphics. Reproduction is prohibited other than in accordance with the copyright notice, which forms part of these terms and conditions.
- All trade marks reproduced in this website which are not the property of, or licensed to, the operator are acknowledged on the website.
- If you believe that your intellectual property rights have been infringed on this site please notify us. We accept no liability for infringements as a result of user generated content but we will take reasonable action to remove such content where possible.
- Unauthorised use of this website may give rise to a claim for damages and/or be a criminal offence.
- Every effort is made to keep the website up and running smoothly. However, we take no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.
- We reserve the right to refuse, suspend or cancel your access to the site at any time and without notice.
- From time to time this website may also include links to other websites. These links are provided for your convenience to provide further information. They do not signify that we endorse the website(s). We have no responsibility for the content of the linked website(s).
- Your use of this website and any dispute arising out of such use of the website is subject to the laws of England, Northern Ireland, Scotland and Wales.

## Copyright notice

This website and its content are copyright of Sally Angell and our contributors (Except for linked content). All rights reserved.

Any redistribution or reproduction of part or all of the contents in any form is prohibited other than the following:

- You may print or download to a local hard disk extracts for your personal and non-commercial use only.
- You may refer to and quote from the content for review or reference purposes within the limits of "fair dealing", but only if you acknowledge the website as the source of the material.

You may not, except with the express written permission of Sally Angell, distribute or commercially exploit the content. Nor may you transmit it or store it in any other website or other form of electronic retrieval system.
